

Pricing Information

We understand that bereavement is a difficult and distressing time and this may be the first time that you have had to choose a Funeral Director. If you are comparing prices, it is important to also compare the level of service that you will receive against ours:

- We are a family owned business, trading independently since 1945, with a reputation and longevity built on striving for excellence. We deliver a traditional quality service with modern ways of working. We offer free confidential advice on funerals, memorials and pre-paid funeral planning.
- We believe in clear and transparent pricing.
- Our 24 hour, 365 days a year, telephone helpline, is staffed by fully trained, professional Funeral Managers who live and work in the local area.
- There is a Chapel of Rest with mortuary facilities within our funeral home - your loved one will always be close by.
- Our facilities are first class and have benefitted from continuous investment.
- Our fleet of hearses and limousines are fully air conditioned for your comfort.
- Our dedicated team is fully uniformed, highly experienced and all staff are trained through the Independent Funeral Directors College.
- We are Members of SAIF - The Society of Allied & Independent Funeral Directors, and we are bound by their Quality Assurance Programme.
- We offer the opportunity to view our premises and meet our staff before you make a decision, if you so wish.
- We have the utmost respect for the deceased and are committed to providing the very best service for the bereaved, including free professional bereavement support for our client families through SAIF Care.

We aim to be, for all the communities we serve, the people to turn to in time of bereavement; to ensure, by our wholehearted commitment, that every funeral is carried out to the highest possible standard; and to be available to offer advice, support and assistance at all times.

A full Price List is currently being prepared and will be published here soon, in the meantime, please contact a member of our team for full details.
