Andy McFadyen DipFD

Assistant Funeral Manager

Andy is a qualified and experienced Funeral Director, who joined the Company in 2008, having previously worked in the care sector.

He likes to keep busy and when he is not working, Andy enjoys keeping fit. He can usually be found training or taking part in a fundraising challenge in support of Garden House Hospice Care and other local charities.

Jacqui Gordon

Funeral Arranger

Jacqui joined us as Receptionist in 2016 and her desire to help others led her to progress to Funeral Arranger. Always on hand to help and support her colleagues and our clients, she has become an invaluable member of the team.

Jacqui enjoys foreign travel, and has a love of wildlife and animals, especially her beloved cat Eloise.

Emma Whitwell

Funeral Arranger

Emma has worked in the funeral profession since 2016 and joined our Company in 2020. The sudden loss of her father drew her to this line of work as she wanted to help others who have lost a loved one. She is a self-confessed perfectionist and likes things to be as close to perfect as possible.

Out of work, Emma has a passion for motorcycles - her pride and joy is a pink Harley Davidson called Hayley and she also has a vintage motorcycle that her father built for her. She enjoys spending time with her two dogs, Boo and Moo and looking after the sheep, chickens and geese on her farm.

Paul Ash

Foreman

Paul started as a Funeral Operative in 2009. His calm and gentle nature makes him very suited to this profession and his "nothing is too much trouble" attitude is much appreciated by the bereaved and his colleagues alike.

Paul is a proud family man and enjoys spending time with his granddaughters.
